## NEIGHBORHOOD HAPPENINGS

We've heard from many community members that the area around the Bellevue Monument sign on Bellevue Ave. becomes extremely dark at night, making it difficult and potentially dangerous to turn into the community. The Board has approved the installation of additional lighting near the monument sign to improve visibility and safety.

We are currently awaiting delivery of the lights. Once they arrive, our contractor will install them. We anticipate the lighting will be installed within the next few weeks. Thank you to our community members for bringing this concern to our attention!
