OPT OUTSIDE

Horseshoe Market on Nov 28 and 29, Highlands Masonic Center (35th and Federal) is having their annual black Friday market with lots of local vendors and food. The market is inside and outside of the center. Free parking and entry. The first 50 people each day will receive a gift bag. More info here: https://horseshoemarket.com/

COMMUNITY RAFFLE

$25 gift card from Nothing Bundt cakes to bring some dessert to your holiday table. The closest bakery to our neighborhood is located at 8116 West Bowles Avenue, Littleton, CO 80123 Enter here by Nov 10: https://forms.gle/grsBwUGHRo8nHHNb7

COMMUNITY REMINDERS

Please refrain from parking in designated fire lanes throughout the community. Keeping these areas clear is essential to ensuring emergency personnel and emergency vehicles have unobstructed access when needed. Your cooperation helps us maintain a safe environment for everyone in the community. Thank you for your understanding and cooperation!

Q & A FROM NEIGHBORS

Q: What are the rules for holiday decorations and lighting?

A: Holiday lighting/decor Placement and display of holiday lighting is permitted without DRC approval for one month preceding the holiday to one month after the holiday. All holiday lighting/decor must be removed within one month following the holiday.

Q: When is the next Board meeting?

A: The next Board meeting is scheduled for November 16th, 2026 at 11:00 AM.
Please keep an eye on the community website for the meeting agenda.

NEIGHBORHOOD HAPPENINGS

Entrance Sign Lighting
The lighting has been installed on the entrance sign, making the entrance more visible at night and improving visibility and safety for residents and visitors.

Community Dumpster Day
Thank you for another successful Dumpster Day! We appreciate everyone who participated and look forward to hosting this event again in 2027.

Cityscape Mowing Operations
With the changing seasons, mowing operations throughout Cityscape units will be paused for the winter and are expected to resume in April 2027.

Native Grass Maintenance
The final native grass mowing of the season was completed a few weeks ago. Mowing will resume during the next growing season.
